Guest Speaker: Randy McPherson

Randy McPherson is from Minneapolis, Minnesota where he lives with his wife Susan. They have four children, all of which act more grown up and mature than their father.

Randy is an avid outdoorsman who grew up as the oldest of seven in a hunting and fishing family. His brother Matt McPherson owns Matthews Archery, the world's largest archery manufacturer. **Randy will be bringing a bow from his brother's company to raffle off at the dinner.**

If it walks on all fours, flies or swims, Randy has probably tried to hunt it or catch it. His favorite pastime is bow hunting and with his bow and arrow he has harvested numerous white tail deer, mule deer, elk, caribou and black bear. He even has one black bear in the Pope and Young Record book. He's hunted or fished in over 20 different US states and 4 Canadian provinces, but his favorite place to hunt is on his 400+ acre farm in Wisconsin.

Randy loves to share the life lessons he has learned from his outdoor experiences. Woven into his stories is a challenge to his audience to develop lasting relationships with both family and friends. Most importantly his challenge to everyone is to consider a relationship with Jesus Christ. Throughout a life spent in God's great outdoors, Randy has gleaned many things, and he's eager to share them.

Plan to attend, and invite a friend!
